PROGRAM

Stu Dales from the Principals and Vice Principals association of BC was our speaker. He began by thanking us for being a big part of the education process by taking part in the exchange program.

Currently there are 600,000 students in BC Schools and the Principals and Vice Principals, who number a mere 2400, are proud to work with society's future. Many of their members also teach in the classroom along with their administrative duties. BC's students already rank at the top of Math and Science scores, but it is hopes that our new Liberal government will work to improve the system even more.

He encouraged all of us to remain active and involved in education in the home and the community – to be "the guide on the side" for kids as they go through school.

STUFF

President Don and Community Service Director **Garry Shearer** presented Pat Klashinsky from the Canadian Mental Health association with a cheque for \$1000 to continue

the good work that they do in Delta. Pat spoke for a few minutes about how they function solely on charitable donations, and outlined a new program starting in the high schools.

Bill Montgomery read from a Thank you letter from Jennifer Moon, who was awarded the Rotary scholarship.

Michale Chiu, president of Richmond Sunset club, was happy to announce that their club has been named as one of the 5 Canadian "new model" clubs. These clubs have two years to "think outside of the box" as far as how they conduct their Rotary business

Henk Veldhuis "found" a jacket at his table, and auctioned it off to the highest bidder, **Greg Hoover**, who promptly gave it to Luzi...but it was really **Marianne Osborne's** and she had to dig deep to pay the ransom.

Making up missed meetings

There are various ways to make up missed meetings.

* The most common is to visit another club.

* As well, you can attend a District Conference or Assembly or you can be involved in extracurricular activities that have been okayed by the Board of Directors. These include things like work projects and the auction. Social functions cannot be used to make up a missed meeting.

Attendance is a requirement of Rotary so it's important to make up meetings. And with a number of ways to do so, it's fun and easy.

Notice of Candidate for Membership
Upon recommendation of the membership committee, the Board of Directors has requested the club secretary give notice of the following proposal for membership:

Gordon Thompson

Classification – Consultant – Government affairs

Sponsor – **Howard McCarthy**

Members have seven (7) days from the date of publication to register, in writing, any objections or comments, failing which the board intends to issue final approval for membership.

NEW MEMBER JOINS US

Tom Smith, who's classification is: Manufactures rep for industrial consumables, was inducted capably by Blair Ledingham. His sponsors are Bryan Kelly & Doug Thomas, and he is a former member of the Vancouver Club. Our only concern was how we are going to fit his classification on his badge.

WELCOME TOM.

SERGEANT-at-Arms

S@A Laureen McCleery was shut out due to the length of the many events of the morning. President Don seemed a bit disorganized. Watch out everyone.
