- 4 Will it be **BENEFICIAL** to all concerned?

Rotary theme:

SERVICE ABOVE SELF

For our first Club Meeting of 2002, the topic was membership. **Earle Nind** reminded us that the club will be 10 years old on June 26, though several brave and innocent souls met for the very first meeting in March of that year. The club Chartered with 49 members, a record for the district, and we still have 18 of those as active members. **Dennis Power** talked about our website and all of the wonderful information that is available there – including this wonderful bulletin each week. Dennis also had a power point presentation on the importance of fostering membership growth in our club. Let's keep our club as the #1 club in the district.

STUFF

****Special Note**** it is very important to visit the men's room before leaving in a small plane about to fly over water. This advice was relayed by Dennis Power, following a special trip that he, Garry Shearer and Earle Nind took to Campbell River.

The Rotaract club needs a banner.

ACC sales are slow, so all are encouraged to contact as many as they can for sales.
