AS THE WHEEL TURNS

~ **Marilyn Rafter** was in a mixed bonspiel with her hubby Bill and they won a draw and will go to Toronto to play in a pro-am event. They will fly to Toronto March 30, have team jackets, and will be televised on TSN, perhaps when they play one of the big names.

~ **Joan Hansen** was happy about Canada's hockey gold medals...she will also be visiting Lise in Denmark at the end of March and asked if anyone had anything that they wished to send to Lise.

~ **Jack Waterfield** was in Whistler a few weeks ago and then spent two weeks in California

~ **Bryan Kelly** was caught missing the gold medal hockey game (men's) - he was interviewed on national TV while at the home show - he was wearing his Rotary vest though!!!!!!

~ **Bob Taylor** was in Florida

~ **Natalie Zigarlick** attended her grandfather's 94th birthday party

~ **Murray Lott** was in Cozumel, and was very happy re: money for the skateboard park

~ **Keith Dinwoodie** had many trips to Chilliwack

~ **Steve Cutt** played his last ball hockey game - sad

~ **Garry Shearer** had a great curling match, and also had dinner along with **Earle Nind and Frank van Pykstra**, at the French Consul's house

~ **David Kalinovich** was happy to hear the Welsh men's choir sing at his church, but sad that **Jim Julius** did not do a solo

~ **Greg Hoover** was in the Aircare lineup where an old beater truck was having a hard time.....the driver got out - it was **Guenther Schreiber**.

PROGRAM

Shawn McRoarty and Bruce Downing from Mag Power Systems Inc gave us some information and performed a short demo of how their new Magnesium powered fuel cell produces power. The power is produced with a magnesium plate suspended in salt water, and 4 inhibitors have been incorporated into the system to control the Hydrogen gas produced by the reaction. Their idea has garnered much interest around the world as it has the potential to save millions of dollars in power costs in all kinds of industries.

STUFF

Paul Arcand is in charge of the parade for Sun Fest this year – he informs us that there will be a Casino this year and we are committed to manning it.

Eleanor Calderwood will lead the croquet tournament

The car rally was a howling success. So tell me what can you NOT take on the ferry?...how many seconds can you park for FREE at the terminal?...and how many MILES is it to Victoria? *** I'm sure that a full report will be given at the meeting on March 7...but suffice it to say that 20/20 vision is a must to win ???

The Vancouver Rotary Women's Auxiliary is having a fund raising fashion show and luncheon April 8 at the Royal Vancouver Yacht Club – 11:45 am – tickets \$30

Several Rotary members were seen at **David Kalinovich's** retirement dinner. I'm sure **Joan Hansen** will pay for her well timed retort when David commented on learning how to use his new computer.

Making up missed meetings

There are various ways to make up missed meetings.

* The most common is to visit another club.

* As well, you can attend a District Conference or Assembly or you can be involved in extracurricular activities that have been okayed by the Board of Directors. These include things like work projects and the auction. Social functions cannot be used to make up a missed meeting. Attendance is a requirement of Rotary so it's important to make up meetings. And with a number of ways to do so, it's fun and easy.
