PROGRAM

Natasha Spasovska, a grade 12 student at SDSS, was our representative at Adventures in Citizenship in Ottawa this year. She returned to tell us of her phenomenal adventure. She thank **Mr** Hamilton and **Mr** Kushnir for their part in this trip. (*heavy on the Mr*). There were 220 students from across the country for this 51st anniversary of the program.

Her *most memorable* event was visiting the library at the House of Commons –the only original building to survive the fire. She imagined all of the former PM's and GG's in the same building. The *most enjoyable* time was the traditional French Canadian dinner in Hull. The *most educational* part was sharing ideas with fellow students.

She commented on how well organized the program is, how much she enjoyed herself and how she made friends from Nova Scotia, Quebec, Nunavut and others. Natasha now feels that she knows much better what her responsibilities are as a Canadian. She did not find it at all boring and has already recommended this program to other students at her school. Her only disappointment was not being able to skate on the Rideau Canal - it was 28 C. She ended her talk by presenting us with a booklet of pictures from her trip.

STUFF

The summer BBQ will be July 21 at Murray Lott's.

TV Auction date will be October 27th

Blair Ledingham railroaded President Dave into paying \$5 for a Rotary book that he found in his house when he

moved. Blair also presented a "found" trophy for the fishing derby to the club.

ROTARY CORNER

Leslie Abramson had a Rotary Moment to share with us. Several years ago when she was in Sydney Australia for a Harbour Commission meeting, she did a Makeup at a club there. She reported that all visitors were presented with their home country's flag to set at their place, and were introduced by Country. Leslie was omitted at first, but later was singled out with a special introduction since her husband Don's grandfather had been instrumental in starting many Rotary Clubs in the Asia. Leslie encouraged all of us to wear our Rotary pins proudly wherever we travel, and to make sure to attend make up meetings in all countries that we visit.

President Dave reported that 98 new resolutions were passed at the RI Council on Legislation, including those on gender limitations and territorial limits, among many others.

SUCCESSFUL CONFERENCE

The conference in Penticton is over, and by all reports it was well attended and all had a great time. Our club did a ton of work putting it together, and the effort was well worth it....there were few glitches...at least very few noticed?? So many people put in so much time to make all of this happen, but none as much as our own Eleanor McWhannel. (*ed note: I hope that you have had your feet up since Sunday!!!!*) Special note must also go to Jacqueline Nind (Richmond Sunset) and Linda Marshall (Whistler) for the fabulous decorations they pulled off for each meal and event. **WOW.** Terrace has a hard act to follow next year.

SERGEANT-at-ARMS

S@A Greg Hoover thanked Natasha for her talk and commented on how much hot air there is in Ottawa. Murray Lott was fined for his Hawaiian shirt at the Seattle baseball game – it attracted too much

"Canadian" attention when he cheered vigorously for the Jays. **Murray's** son Mack also was cited for selling raffle tickets on the bus. **Joan Hansen** was fined for more errors in the Sunriser and especially for calling **Natalie Zigarlick** Nancy. All who were not going to Penticton for the conference were dinged \$1. **Dennis Power** had on a "Non Power" (read ugly) tie. **President Dave** was cited for again not having the meeting room ready for the directors meeting. **Bob Cooke** paid for calling **Cindy Phillip** a bad name. **Blair Ledingham's** socks were no where near his pants. **Dave Lay** snoozed through parts of the meeting. **Earle Nind** was fined for turning his thank you into a motor home story.

Red File: Jim Julius for his comments in the Sun on the closure of the Breakers and his chair is still there; **Doug Hooper** for SPCA ad; **Bill Kushnir** for body checking comment and for award pictures.
