PROGRAM

DISTRICT GOVERNOR VISITS

DG Art Erasmus and his better half Leslie were our guests for the morning. He started by saying that he was happy to be with us and especially happy to have bought the bottle of champagne cause it was their anniversary the next day. We hope you enjoyed it Art and Leslie. The message for the morning was how important membership is – not just attracting new members, but in making the meeting fun and worthwhile to attend. He handed out several pins for those who had sponsored the three new members whom he inducted or for knowing the theme of "One new member per month" . Art invited all of us to attend the conference in Terrace in May. He ended by relaying some of the new rules on membership and territory that had been voted in at the Council on Legislation for RI. Thanx for visiting Artwe enjoyed it.

STUFF

NOW WE ARE 72

DG Art Erasmus had the pleasure of inducting three new members to our club. Joining us are: Gerry Kilcup, John Paradis, and Natalie Zigarlick.

Welcome to all of you.

The BBQ was held last Saturday at Murray Lotts. I was not there but I am sure it was fun..... **If you have not as yet paid....please give your \$\$\$\$ to Andy Schellekens.**

ROTARY CORNER

AVOIDABLE BLINDNESS TASK FORCE

This task force was set up by immediate past president Frank Devlyn, and it's goal is quite evident by it's name:

PROJECT IDEAS

~ Organize an eye camp or eye clinic where economically disadvantaged people can come for free eye care.

~ Provide financial support to an eye camp, eye hospital or cataract surgery project either in your local community or overseas.

~ Undertake a campaign to collect used eyeglasses and donate them to an organization that will distribute them to those in need.

~ Undertake an eye donation pledge campaign in y our community.

~ Sponsor a seminar in your community on preventable blindness.

~ Support a project that alleviates Vitamin A deficiency in children - a leading cause of blindness.

~ Organize a vision-screen campaign in your community or at a local school.

~ Train ophthalmic nurses to perform lid surgery for trachoma and provide basic treatment and other minor operations.

~ Train ophthalmic nurses to detect glaucoma and refer individuals to ophthalmologists for care.

~ Focus on River blindness prevention by use of Mectizan tablet

There are many things that we can assist with here at home. We have two members of our club with a direct involvement in vision care – perhaps we can lend a hand to this worthwhile endeavour.

SERGEANT-at-ARMS

S@A Laureen McCleery was only given one minute, but she stretched it out by starting with a fine for **Pres Don**. She then presented her "fun" books to **Jim Northey** – Expeditions to Nowhere and to **DG Art Erasmus** - Inspirational sayings.

It's a good thing: **Nancy Macey** for being a soul mate to **Gord Farrow**

Pink File: **Greg Hoover, Randy Wolsey, Norm Brown.**

Bryan Kelly and **Gerry Kilcup** beat the guests and the pres. to the food. Bryan whined. Seen at the classy trash garage sale – **Graham Mallett, Fran Schiffner, Laureen McCleery. Joan Hansen** was fined for **NOT** bringing cookies.
