**PROGRAM**

Megan Donis was in town from the "Big City" - New York – to tell us about her exciting new project, Yo New York. This is web based TV and it can be found at "yoneyork.com". This is a totally new concept in city news for the local and especially for the visitor. Her group is reinventing TV - she says it is so efficient to film since they can use small digital cameras and do instant editing. They can also do "Live" advice shows with questions e-mailed to the host and answered instantly. Several clips were shown of the show and especially of Megan's contributions.

After working for some time at PBS, Megan met her "boss" on a plane coming home to Vancouver. She is excited to be involved in this new venture and told us to watch for "Yo" sites in all the major cities soon.

**ROTARY INTERNATIONAL PRESIDENT FRANK DEVLYN IN TOWN**

Thursday September 7, President Devlyn will be in Richmond for a luncheon. See President Dave for tickets - \$30

**GSE** – District is now looking for a Rotarian Team Leader and young people to make up a team to England

**AUCTION NOV 4**

Dennis Power reminded us that it is time to start collecting items for the auction.

**PAST PRESIDENT PIN**

Eleanor McWhannel was pleased to present Roger Pryke with an official "diamond" Past President's pin. It had recently come to our attention that Roger's original pin had been passed on to a subsequent president, and now we are pleased that he has one back. (\*\*note – his very efficient secretary DID actually have the correct pin for presentation when Roger finished his term as president)

**ROTARY CORNER**

The next Rotary Parliament will be held in Chicago in 2001. Leo Nimsick is the rep for our district. It is the meeting where Rotarians can propose changes to the Constitution and Bylaws of Rotary International and the standard Club Constitution and Bylaws. This opportunity comes only every three years.

We often complain and grumble about Rotary's rules. We know that we must make changes in order for us to go forward as a modern, vibrant and dynamic organization.

Some of the issues Leo expects to see are changes in the forms of membership, changes in the process for bringing in new members, changes in the classification system, changes in attendance rules, and ways of improving Rotary meetings.

Leo needs to know what changes you would like to see. Let him know what those issues are.

**SERGEANT-at-ARMS**

Fines were levied by S-at-A **Greg Hoover** for the following: **Jack**

**Kintner** for being away when we met in Point Roberts - we did a terrible rendition of the US anthem cause his voice was missing; **Randy Wolsey** for not noticing that the fire exit to the golf course was blocked by Rotarians; **Joan Hansen** for her spelling errors in this paper; **Marianne** was late; **Bill Learmont** was late for his guest; **Blair Ledingham** took the last sausage & the tongs; **Jim Julius** called the S-at-A zealots; **Brenda Delf** for not properly addressing the chair.

RED FILE: there was a cornucopia of members in the "Who's Who in Delta" feature in the Optimist. Not all were at the meeting but **Joan Hansen** paid a fine. She also paid for being on TV doing the Sunfest parade. **Dave Hamilton** paid as well for his appearance with Joan on TV.
