## BBQs, Badlands & Bye Byes

Last week's program consisted of a video of the now infamous summer barbecue, an induction of a new member and good byes to a couple of long time members. Brenda Delf had husband Mike put together a video of the bbq held at Rotarian Murray's, complete with the fund raising jump of Leslie. It included all the food, fun and music but didn't catch one of the main highlights - Henk going over the fence.

Past president Dave had the honour of inducting Gord Grant, the new TD Canada Trust manager. Gord was born in the Badlands of Alberta. President Don presented Randy Wolsey with a plastic hand complete with band aids, as a reminder of our club. Randy is now the Fire Chief in Edmonton. Bryan Kelly relayed information to us that Gord Farrow had passed away and gave us information about the memorial service.

## The 4 Way Test

of the things we think, say or do,

1. Is it the **TRUTH**?
2. Is it **FAIR** to all concerned?
3. Will it build **GOODWILL** and **BETTER FRIENDSHIPS**?
4. Will it be **BENEFICIAL** to all concerned?

## We'll miss you

Bryan reported Rotarian Gord Farrow passed away after his battle with cancer. Bryan said he went peacefully with Joanne at his side. A service was held Saturday and there were a large number of Rotarians in attendance. Pres. Don spoke quite passionately about Gord and his contribution to Rotary and our club.

 Eleanor Calderwood (Greg Hoover)

## VISITING ROTARIANS

## Another banker

With Randy leaving for Edmonton his sponsor, Dave Hutton, felt it necessary to bring in another member and last week Gord Grant was inducted. Joan Hansen was chosen as his mentor (I hope that decision was made prior to the announcement she has a bumper sticker that says Boys are Toys). Gord is from TD Canada Trust and was instrumental in the merger of the Tsawwassen locations. He was born in Alberta 35 years ago and came over the Rockies at the age of 10. He enjoyed track, soccer and hockey when in school and has added golf and mountain biking as an adult. Gord is married with two out of control daughters. He is also involved in the bank's Friends of the Environment Foundation.
