Nov 29 – Skip Triplet – Kwantlen

PROGRAM

Craig MacFarlane spoke of losing his eyesight at age 2 to a condition called Sympathetic Ophthalmia. He attended the school for the blind in Brantford, and there learned to wrestle, later becoming a Canadian medal winner many times over. He had always wanted to play hockey, and spent many years working with Gordie Howe. He considers his blindness a "minor inconvenience". He is currently a spokesperson for Edward Jones, has a book out on his life with a dedication in it from Former President George Bush. He has spoken to over 800 Rotary Clubs, and says the kids of today are "the most talented generation ever". We gave him a standing ovation.

The work party on Nov 10 in Diefenbaker Park will start at 8:30am - we will be bolting together the playground equipment.

RYLA will take place June 6-9. It is a workshop for youth aged 18 - 25, teaching them leadership skills. We were asked to suggest names of attendees.

We have Four applications for next years Youth Exchange.

The next few Board meetings will take place on the third Wednesday of the month since the Golf Course is closing Monday and Tues evenings.
